THE RAYMOND LION

The Raymond Lions Club held their regular meeting for the third Monday in October last Monday, October 15. The turnout was very good—ninety percent of their entire membership. After some discussion during the week to consider postponing this meeting under urgency for harvest help, we were surprised to find that a young blizzard had blown the Lions in mass down the Opera House stairs. In spite of the nasty attitude of the elements, the boys were in a jovial mood and enjoyed the meeting immensely. A grand chicken supper was very likely responsible for a start in the right way.

June Anderson visited the Lions as special guest of the Program Committee. She enjoyed the antic of the Tail Twister and the most peculiar quality of the Lions chorus. Then we enjoyed a very entertaining reading from June. Her theme was the odd use of the King's good English by some of our European immigrants. However, you may be a school teacher, then the constant mixing of vocabulary by foreign and native people becomes a daily headache. Oh, well, it serves them right for being one of such an unnatural occupation.

This is "District Governor Week" for all Lions. We are honoring all of those citizens who are big hearted enough to become a candidate for leadership in our various districts all over the world. Our present district governor is Lion Jack Coulter of Hamilton, Montana. Our Deputy District Governor is Lyn Dunlop of Pincher Creek and our Zone Chairman is Jay Hamilton of Magrath. The program after June's reading took the form of a quiz contest between the club members and the Tail Twister. The secretary had a set of questions about our Lions District Executive. He asked each Lion a question and the Tail Twister bled, liberally, each Lion who did not answer his question satisfactorily.

A directors meeting convened at the close of the regular meeting. The Opera House Company is moving all equipment from the Club Rooms at the Opera House prior to the possession by the Raymond S.D. The kitchen will not be maintained by the new owners so the Lions packed their stuff and moved out into the street—or the secretary's car. Now he has no place to put the equipment and no room to move his family with the car full of junk. He hopes the Lions have a new home before he freezes in the doghouse.

Try this on our town constable. Two men drove through a red light only to be stopped immediately by a police man. "What is the big idea?" growled the cop. "Well you see this man, officer? I am a doctor and I am rushing him to a mental hospital before he again becomes violent." The officer was very suspicious; but when the patient started reaching violently through the window towards the policeman and says, "Oh, darling, kiss me again", the officer says, "Get the --- out of here."

THERE IS NO OVERHEAD

The public is constantly besieged by collectors for various charitable schemes. Sometimes the objective is highly commendable; sometimes much less so. But the public always contribute anyway.

Now and then newspapers reveal the facts concerning some charitable organization which has collected large sums and has spent nearly all of it on rents, auto hire, dinners for workers, and commissions to collectors. The charity needing help gets little or nothing. This leads the man in the street to wonder what actually happens to his money in every other case

Hi School Capers

Due to the unwelcome cold spell of bad weather, school for the R. H. S. students has commenced sooner than had been anticipated.

The smoke of the coal furnace is once more seen curling heavenward in a soot-black cloud of mystery. School kids can be spied trudging unwillingly to school in the new-fallen snow, none too happy at the unexpected turn in the plans.

Elections are due Friday, Oct. 19, and the new President, Vice, and Secretary are determined for the next several months until the second election of the year.

Robert Gemlich was voted Returning Officer for the campaign. His duty will be to take care of the minor details such as the distributing of ballots etc. We had hopes of making Robert President, but I am sure he will fulfill his present job well. May the best man win.

This is a time to which all the school looks forward, as it is one of the main events of our term.

Basket-ball games have already been scheduled, the first being played on November 9th at the Opera House.

See you all there fans, rooting for the home team.

A Haugen family reunion was held at the George Haugen home recently with 72 members present.

A very enjoyable time was had visiting, taking pictures and playing games, followed by a lovely buffet supper.

What Happened At The Council Meeting

The regular Meeting of the Town Council was held at the Town Hall at 8:15 on Monday. Those present were Mayor Jensen and Councillors Pack, Wilde, Jacobs, Ralph, Melchin and Galbraith.

The Minutes of the previous meeting were read and adopted on motion of Councillor Pack.

The Cash Statement was read and accepted on motion of Councillor Jacobs.

It was moved by Councillor Jacobs that the Director of Assessment be requisitioned to have a general assessment made of all land, buildings and improvements in the Town of Raymond for use in the 1952 taxation year.

This will put Raymond more in line for the Provincial Grant that is determined by the assessment. The Provincial Government has several full-time Assessors that go about doing this work in an attempt to standardize the assessments in all towns in Alberta. The Province pays 25% of the cost of this service.

Moved by Councillor Melchin that the Council go on record as opposing the closing of the road East of 17—5-20 With as it adversely affects Raymond's trading area and would divert farm residents to other towns. Carried.

The Gas Question Was Again Discussed

W. L. Jones, Secretary-Treasurer of the Town, attended the Union of Alberta Municipalities Convention in Calgary on October 12th and 13th. All the Cities, Towns and most of the Villages of the Province were represented.

The purpose of the organization is to discuss mutual problems and agree on desired changes in the laws and regulations governing municipal government. These matters in the form of resolutions are then presented to the Provincial Government and many of them have been adopted and become law.

The Minister, Honorable C. E. Gerhart, and Deputy Ministers of Municipal Affairs, J. W. Judge, were in attendance.

Famous Prints Shown at the Local Bank

Following arrangements that have been made by the Bank of Montreal with the National Gallery of Canada to display the Gallery's silk screen prints in branches across the country, six of the pictures have been hung at the bank's Raymond office. Full-color reproductions of interesting subjects, they strike a new note in bank decoration, and will make the office more pleasant for both customers and staff.

All six prints now hanging in the B of M's local branch are attractive examples of contemporary Canadian art. "Mist Fantasy", an imaginative landscape by J. E. H. MacDonald, R.C.A., combines vivid coloring with a sense of movement and rhythm, while Franklin Carmichael's "White Water" is a scene of turbulent woodlands rapids. Two striking examples of Canadian landscape, unspoiled by man, are shown in Arthur Lismer's "Isles of Spruce" and F. S. Haines' "Beech Woods". The rock dedicated to Walt Whitman, the American poet-naturalist, is shown in all its grandeur in "Bon Echo", "Peace River Bridge" is the work of A. Y. Jackson, and is strongly representative of the work of the Group of Seven, who so greatly influenced the development of a truly Canadian school of painting.

Each picture has been designed especially for the silk screen, a process which employs a series of stencils in order to print with oil paint directly upon paper.

H. O. McCurry, Director of Canada's National Gallery, says the bank's plan to supply these pictures to its branches from coast to coast is having far-reaching effect on some phases of the work of the gallery.

James Grant, manager of the B of M's Raymond branch, is pleased that his office has been included in this scheme. He cordially invites local residents to drop in soon and see the new prints.

Miss Lois Milner has returned home after completing nearly two years in the Western States Mission.

Mr. and Mrs. Doral West announce the engagement of their eldest daughter, Darselle, to Kasen Kimball (Kim) Bullock, youngest son of Mr. and Mrs. E. K. Bullock of Wellington.

The wedding will take place early in November.

In the last Second Ward Relief Society Meeting Mrs. Paul Schnieder demonstrated the variety of 'goodies' one can make from the basic sweet dough recipe. The ladies found this most interesting and informative as well as delicious, as they were served a glass of apple juice and a piece of Mrs. Schnieders baking.

Charles Watson has returned from a recent business trip to Saskatchewan.

Mr. and Mrs. (Seminary) Bill Nalder, Mr. and Mrs. Ross Mendenhall, Mr. and Mrs. Barker Selman and Mrs. Margaret Hill were guests at the home of Mr. and Mrs. Doral Stone Sunday evening. A very enjoyable evening was spent visiting after which a lovely lunch was served by Mrs. Stone.

Mr. and Mrs. Bill (not Seminary) Nalder were hosts to a few friends Sunday evening after Church. Dr. and Mrs. Harlan Taylor, Dr. and Mrs. Gordon Anderson and Mr. and Mrs. Claude Baker enjoyed a pleasant evening of conversation with their hosts, followed by a very tasty lunch.

The Catholic Ladies Sewing Circle met at the home of Mrs. Luitiski Wednesday afternoon.

A busy afternoon was enjoyed followed by a tasty lunch.

Mrs. Jacqueline West was a week-end guest at the home of her parents Mr. and Mrs. M. Elmer Ririe in Magrath.

"U.N. WEEK" OBSERVANCE

Frank E. Spahn, President of Rotary International has invited every Rotary Club in the world to join in a vigorous program of public enlightenment concerning the goals, achievements, and tasks of the United Nations. For this simultaneous effort, he proclaims the week of October 21-27 as United Nations week for Rotary International.

This observance instituted six years ago by R.I. President Tom Warren has evoked an ever-widening response throughout the Rotary World. Last year the United Nations Week observance by Rotary clubs reached an all-time high in variety and intensity. The growing realization that the United Nations is the world's best hope for peace calls for unprecedented vigor in seeking public understanding and support.

The local Club in conformance with this proclamation is working up a display in the Mercantile Window. This display will feature a large U. N. World Map and we would suggest that everyone, especially school students be on the lookout for this feature.

In addition to this the Rotary Club in their weekly meeting to be held Wednesday evening, will feature a Panel Discussion entitled "Peace in Our Time". For this discussion members of the local club will enact the parts of the various U. N. delegates and present their views on this subject.

It is fortunate that District Governor of District No. 171 of Rotary International will be present for this meeting. The Rotary-Annes will join their husbands at the dinner meeting in the Legion Hall and will then motor to the Myron Holmes home where District Governor Bruce's wife will show pictures of their travels

Fourth Ward MIA Speech Festival

The Fourth Ward Speech Festival was held Thursday October 11th and was directed by Hazel Rebalkin, Speech Director and Bertha Stone, Music Director.

Aneta McBride, Lynn Galbraith and Gerald McGillvary as a family group discussing the Indians introduced the program beginning with a brief history of the Indians by Aneta. Following Gerald's explanation of the ceremonial Bear Dance, it was performed by a group from the Bee Hive and Scout classes. Lynn told the dramatic story of "Pocahontas", after which Aneta and La Dean McBride and Margaret Stone sang the beautiful "Indian Love Call". "Chief Blackhawk's Promise", a pioneer story by Connie Mehew, preceded "Heap Big Smoke" sung by Venita Vance, Dawn Mendenhall, Joy Litchfield and Grace Selman as modern Indians. A short talk by Lois Milner, a recently returned missionary concluded the program.

Mr. and Mrs. (Seminary) Bill Nalder, Mr. and Mrs. Ross Mendenhall, Mr. and Mrs. Barker Selman and Mrs. Margaret Hill were guests at the home of Mr. and Mrs. Doral Stone Sunday evening. A very enjoyable evening was spent visiting after which a lovely lunch was served by Mrs. Stone.

Mr. and Mrs. Bill (not Seminary) Nalder were hosts to a few friends Sunday evening after Church. Dr. and Mrs. Harlan Taylor, Dr. and Mrs. Gordon Anderson and Mr. and Mrs. Claude Baker enjoyed a pleasant evening of conversation with their hosts, followed by a very tasty lunch.

The Legion Ladies Auxillary were very pleased with the results of their Bazaar and Pantry Sale held last week in the Legion Hall, when at the end of the day they counted up \$110.00.

Jolayne Holland was the lucky Miss who won the lovely luncheon cloth which was raffled. However tickets are still being sold on the quilt.

Those working at the Legion Hall were: Mrs. Ruby Holland and Mrs. Wanda McKean, in charge of the Bazaar; Mrs. Alice Court in charge of the Pantry Table; Mesdames Clayte Ralph, Mary Thompson, Louise Winters and Val Atwood worked behind the scenes in the kitchen and Mrs. Fern Thompson and Mrs. Ellen Phillips served the lunch. Mrs. Flo McKean was in charge of the tickets.

Wedding Solemnized In Alberta Temple

Wednesday in the Alberta Temple Miss Norma Dahl, daughter of Mr. and Mrs. Ronda Dahl, became the bride of Lawrence, son of Mr. and Mrs. George Turner, in the presence of the immediate family.

The bride was lovely in a traditional white satin gown featuring a bouffant skirt, a fitted bodice with a net yoke, and long lily point sleeves. The dainty finger-tip veil was held in place by a coronet of red roses, and the bride carried a bouquet of red roses and white carnations.

The bride's attendants, Zelma Dahl, Bernice Dahl, Hazel Fairbanks, Janet Turner, Fern Dahl and Dianne Dahl were gowned in pretty pastel formals and carried bouquets made up of carnations and baby mums.

Harold Tanner was Best Man and Eugene Dahl, Jim Blaxall and John Holmes ushered.

Mrs. Dahl chose for her daughters Reception a grey afternoon dress to which was pinned a corsage of pink carnations, while Mrs. Turner chose a green crepe frock complimented by a pink carnation corsage as well.

The many friends and relatives who called at the Stake House to extend their best wishes were welcomed by Mr. and Mrs. Jack Evans and June Broadhead and Ruth Quinton accepted and arranged the numerous gifts. Anita McBride presided at the Guest Book.

The Bridal Party received the guests in the Relief Society room which was beautiful with floral bouquets and the Bride's Table upon which sat the lovely three tiered wedding cake which was flanked by lighted tapers.

Mrs. Emma Dahl at the piano and Lief Erickson with his violin played beautiful dinner music while the guests were gathering. Mr. and Mrs. Willard Paxman seated the guests for the lovely lunch which was served by Katie Paxman, Ladene McBride, Sylvia and Donna Christensen, Ginger Evans, Arlene Taylor and Maxine Dahl under the direction of Mrs. Ruth Salmon. Those assisting behind the scenes were Mesdames Phoebe Dahl, Erna Schnieder, Minnie Litchfield and Lavonne Dahl.

The tearoom was beautifully decorated with a profusion of flowers and greens with a pink and white lattice work archway opening into the remainder of the hall where the program was held.

Grant Paxman was M. C. for the following program: Two vocal solos by Sandra Dahl, Lovliest Night of the Year and 'Too Young'; trumpet solos by Grant Erickson; 'September' by Maxine Dahl and Kay Salmon; Hazel Fairbanks rendered a piano solo followed by a humorous talk on 'Marriage Customs' by Orvin Hicken. A musical reading 'The Bride's Prayer' by Norma Smith, was a fitting concluding number.

Rulon Dahl toasted the Bride with the Groom responding.

For the honeymoon trip to Great Falls the new Mrs. Turner donned a suit of raspberry red with black accessories.

Mrs. and Mrs. Lee Brewerton, Mr. and Mrs. Louis Fisher and Mrs. Margaret Swanson were among the guests at the home of Mr. and Mrs. Aesel Palmer in Lethbridge Sunday evening. Their son Byron who had just returned from the Uruguayan Mission gave a very interesting account of his stay in that part of the country. The beautiful pictures he showed also added to the enjoyment.

AWHILE back, he figured out just what a new tractor would do for his farm. He didn't have enough cash in the bank to handle the deal. So he talked things over with his bank manager, fair and square.

He got his bank loan — and the tractor. From now on, he expects to work more acreage, increase his farm income. Soon the bank will be repaid.

He looks to his chartered bank for market information, too, and any other banking service he may need.

That's what he wants. That's what he gets. Sound business all round!

"IF" FOR GIRLS
 (Without Apologies)

If you can keep your beau, when girls around you
 Are losing theirs, and envying lucky you.
 If you can neatly dress, and yet be modest,
 With just a bit of paint, and powder too.
 If you can "bob" your hair, and not look foolish.
 If you can walk erect in modern shoes,
 You'll be a real smart girl of right good promise—
 The sort of girl a chap would wish to choose.

If you can keep your lips free from tobacco—
 Your finger-tips from tell-tale Nicotine,
 If you can keep your nails, not over-polished,
 But just enough to keep them trim and clean.
 If you are worldly-wise, and yet not worldly,
 And keep your mental furniture in shape,
 Respect your ego—without ego-ism,
 Be what you are, and never fake or ape.

If you can "mix" and yet remain untarnished,
 And not be a "wet blanket" with your group.

If you can hold your own in jolly frolic,
 And yet to no mean lower-level stoop.
 If you can keep a sense of goodly humour,
 Enjoy a joke, and join in wholesome fun,
 You'll keep your beau—if he be worth the keeping,
 And joy be yours, through all the years to come.

What Happened At The Council
 (Continued from page one)

Charles Romeril applied to connect to the Town Water system to obtain water for his farm, and Marshall Milner had previously applied for the same. Moved by Councilor Pack that they be allowed to connect to the Town Water system at their own expense under the supervision of the Town Foreman and provide a meter with suitable protection, and to pay the rates set by the Council from time to time. Carried.

Bishops Hicken and Snow met the Council requesting that the Town's account for gravel put in front of the Stake House be cancelled. They were informed that this was contrary to the policy of the Town.

Moved by Councilor Jacobs that Mayor Jensen and Councilor Wilde with Councilor Melchin as alternate represent the Town of Raymond at the meeting of the Lethbridge Junior Chamber of Commerce on October 24th. Carried.

Moved by Councilor Ralph that the Secretary-Treasurer, W. L. Jones be appointed enumerator to prepare the voters list for the next town election. Carried.

Moved by Councilor Ralph that the water works committee investigate the heating problem at the pump house and take steps to remedy it if necessary. Carried.

Letter of the Superintendent of Buildings, Provincial Department of Public Works was read in which he approved the proposed plans for a 4" water line to the hospital and agreed to contribute \$3,000 to the installation. Moved by Councilor Wilde that the Town install the line as proposed and that material be ordered including enough Transite pipe to make up a carload lot and also material to put in a 4" line to the swimming pool and provide metal valve boxes on the new highway. Carried.

Councilor Wilde brought up the matter of culverts or entrances for residents on 1st St. East, North of 2nd St. North where the Department of Public Works had made a barrow pit. It was decided that the same policy should prevail as entrances from the highway and residents should provide their own.

The Secretary was asked to arrange a meeting with Mr. Kelso, Councilors Pack and Wilde, regarding a release to the Department of Public Works for responsibility re: water and sewer lines and drainage.

The Mayor requested Councilor Pack to check the matter of the spillway at the disposal plant and obtain recommendations of an engineer to the solution in order to protect the out-fall sewer.

Moved by Councilor Ralph that the town order 400 feet of 2 1/2" and 50 feet of 1 1/2" fire hose and one 2 1/2" to 1 1/2" Y connection. Carried.

Letter of the Director of Assessment was read advising that the town pass a new business tax bylaw in 1952. The secretary was instructed to bring up this matter in the new year. The decision of the Assessment Committee regarding appeals against business tax on elevators was read.

The necessary readings were given to a bylaw appealing Sections 1, 2 and part of Section 3 regarding bicycles, from "Town of Raymond" where it appears the 2nd time in the said section to the end of the section of Bylaw No. 405.

The Canadian Legion met the town requesting that the town purchase a wreath for Armistice Observance the proceeds to go for public welfare. Moved by Councilor Galbraith that \$20.00 be expended for this purpose. Carried.

Moved by Councilor Pack that an annual charge of \$20.00 be made for water used at the Welfare Centre. Carried.

Pay roll was read and ordered paid on motion of Councilor Ralph. Meeting adjourned on motion of Councilor Pack.

The Gas Question

(continued from page one)

Some of the matters dealt with were:

Municipal Assistance Act (Government Grants to Cities Towns and Villages).
Pay for Town Councillors
Taxation of Power Companies
Borrowing powers of Towns
Land Surveys
Closing of Garages by Rotation
Training Schools for Juvenile Delinquents
Low cost housing scheme for Towns

Mr. Noel Dant, Town Planner, Edmonton, gave an address at a luncheon on "Nature of Modern Town Planning".

Mayor Tanner of Magrath and Mr. Jones again interviewed the Natural Gas Co. officials regarding gas for Raymond and Magrath. It now appears that if the Province decides to export gas from the Province (and a decision is expected before the New Year) then a proposed high pressure line from Pincher Creek to Winnipeg would pass between Lethbridge and Raymond. The Gas Company would tap this line and bring gas to Raymond, using a smaller line and would thus be able to sell gas much cheaper. Something definite in this regard may be known within a few months.

Mr. Jones also interviewed the Calgary Manager of Canada Cement and found that their enlarged plant will not be in operation until next August at the earliest, and therefore cement supplies will be scarce for most of 1952. After that the Company states it expects to be able to supply all demands.

Radio Farm Forum Passes Tenth Year

Radio Farm Forum has passed its tenth Anniversary in Canada. From January 21st to April 8th 1941, the first Farm Forum ran its experimental course. The Broadcasts were carried over an Eastern network only. The first year reports were sent in from Ontario and Quebec only. In the Fall of 1941, Forum Groups were organized in the West. Of those in Alberta, the St. Mary's Group was one of the first to be organized, and has met every year since, with about 8 of the original family members still taking an active part.

National Farm Radio Forum is a discussion group project for the people of Canada. This year's series will begin with an introductory Broadcast on the night of Monday Oct. 22. This would be a good time to organize a group.

Farm Forum is sponsored by the Canadian Association for Adult Education, the Canadian Federation of Agriculture, and the Canadian Broadcasting Corporation, all non-political, non-profit, and nation wide organizations. On Monday night of each week, there is a radio broadcast at 8:30. Printed material in the form of the Farm Forum Guide is distributed the week before, and contains material or background information on the broadcast topic.

Group discussion follows the broadcast. This discussion is to get the opinion of the group on the matter under discussion. These opinions are reported to the Provincial Secretary

QUICK CANADIAN FACTS

1. Is Labrador larger or smaller than the island of Newfoundland?
2. In dollar value which is our most important fur bearing animal?
3. Is wheat Canada's leading export?
4. Does the personal income tax pay for most of federal government spending?
5. Are our largest islands in the Pacific, Atlantic or Arctic Ocean?

ANSWERS: 5. In the Arctic Ocean. 3. Newsprint, not wheat, leads our exports. 1. Labrador is almost three times as large. 4. No—for only about one-fifth. 2. Mink.

who summarizes all reports and sends them to the National Secretary. Each week these findings are reported back to the group by the Provincial Secretary, and once a month a report is heard from all the Provinces.

This year the first series of topics will be on Co-operatives—are they efficient, democratic or socialist? The second series will discuss Community Living under the heads of Cultural Opportunities, Educational Outlets for Adults, and Folk Schools for Farm People. Farm Policy is the head of the January studies under Increased Production, Farm Credit, and Farm Organizations. Marketing will be discussed under the heads of Who Sets Farm Prices, Are Commodity Groups Doing the Job and High Transportation Costs. The fifth and last series takes up the questions Do We Need More Immigrants? Should We Export to Britain Instead of the U. S.? and Are Hunger and Poverty the Real Cause of War?

The real purpose of the Farm Forum is to promote a healthy and intelligent interest, together with a possible solution to the problems affecting farmers, not only as they affect themselves, but as they relate to the consumer. Participation in an open discussion not only broadens the mind of the participant but engenders thought along the lines of marketing and distribution, fields which were for years left to those who were more often than not, interested solely in the wide spread or profit, which resulted after the product left the hands of the producer.

So every week, the results of these discussions held every Monday night throughout Canada, find their way to the office of the President of the Canadian Federation of Agriculture, Dr. H. H. Hannam, who is able to pass the opinions of farmers direct to the law makers of our Dominion.

In the past years, specialists along many lines have taken part in the broadcasts, usually along with one or two farmers, selected across the country.

Farm leaders are of the opinion

Happiness is a hard thing because it is achieved only by making others happy.

NO, THANK YOU

Dr. Melchior Palyi, U. S. economist thinks that Canada is paying too high a price for its sovereign independence. Financially, he suggests, we would be much better off if we threw in our lot, politically and economically, with the United States.

Few Canadians, declares The Financial Post, would be eager to trade our systems of law, education and even politics for those of the U. S. We have some traditions that we would not like to lose. There are some special problems in the United States that we would not like to inherit. We may be more conservative, less emotional, less sure of ourselves—and poorer. But perhaps we prefer to remain that way.

TIPLESS BABY CUP

Plastic baby cup designed to prevent spilling or upsetting has weighted bottom automatically righting it if pushed over, reports The Financial Post. A detachable top controls the flow of milk, guards against waste. Full-length handle provides a firm grasp for a small hand. Cups come in a chip-proof Tenite pink, blue or red with ivory; practically unbreakable and can be easily washed.

A fund was opened and donations were received from Farmers' Union Locals, Municipal Districts and individual farmers throughout the Province. In the event of a further appeal being launched by the oil company, the funds will be needed towards the expense of fighting the farmers' case.

As the case stands now, the appeal

A PROJECT

Actually, we have a procedure accepted by sixty nations representing more than two billion people. It is the United Nations Charter. True, it is not working as easily as had been hoped. It is not as simple as had been assumed. Still much has been avoided, much been achieved. Disputes have been settled. Wars have been avoided. We have the beginnings of an international police force repelling the aggression in Korea. Human rights have been defined. Economic cooperation has been projected. International teams are training backward peoples, fighting epidemics, feeding hungry children, and studying ways to assure prosperity for all peoples. U.N. is a great pilot project of all the world's people.

A PLEA

Of course, the procedure is not perfect. Agreement between great nation seems lost in suspicions and recriminations. Nations respond feebly to requests for troops. Armaments preempt the resources that might be available for development. Sometimes, we seem to have reached the point of view which made UNESCO think of abandoning the Marbial project.

Yet "hope springs eternal in the human breast." Once they have grasped the idea that the unemployed can be employed, the people will not let us abandon it. They will insist on making it work. They will insist on a strong United Nations, armed to keep the peace, financed to build a world that is prosperous and free.

The alternative is too grim to contemplate. The world's best hope is U.N. plus you.

Will you justify that hope? Will you join in the pilot project of the world's people to create the conditions of peace and freedom for all?

The topic at the Canadian Culture Class Monday evening in the Library was Home Nursing. Mrs. Norma Meldrum gave a very informative talk on the symptoms to look for in order to give the doctor the needed information.

An invitation is extended to all to attend these very interesting Classes.

Tommy Allen was a guest vocalist at the special Thanksgiving Service held at the Magrath United Church.

The Third Ward Explorers and Mia Maids enjoyed a Fireside at the home of Mr. and Mrs. Azel Stevenson on Sunday.

After Community Singing and a few quiet games, Bill Bowden told them of some of his missionary experiences. A delicious lunch brought the evening to a close.

Mrs. Nona Bourne was hostess at the regular meeting of the Friendship Club Wednesday Night. The usual good time was enjoyed followed by the delicious lunch.

Mrs. Vanda Wilde entertained at an informal get-together at her farm home Friday evening.

Lois Hall, Joyce Phillips, June Anderson, Bernice Wilde, Udine Duncombe, Mary Watson, Janet Heninger, LaPrielle McNeely and Myrtle Jensen enjoyed an evening of chatting and sewing after which a very tasty lunch was served by the hostess.

Honest we don't know where that girl is. We said in last week's paper that Hazel Fawns was one of the guests at the Study Class at Godfrey Holmes last Sunday, but we are sorry — she is still in Sweden! It should have read her sister, Vivian.

Hazel is expected home the first part of next year.

Mr. and Mrs. Dan Smith entertained recently at a Court Whist Party; the guests being Mr. and Mrs. Joe Flexhaug, (Helen Flexhaug and the hostess received the prizes for high and low respectively), Mr. and Mrs. Jack McLean and Mr. and Mrs. Dee Rolfson (in these two families the males took the prizes with Jack and Dee high and low respectively).

Mrs. Smith served a very tasty lunch at the close of the evening.

CANADA SAVINGS BONDS

You can now place your order for the new Sixth Series of Canada Savings Bonds. They're going to get a hearty welcome from thousands of thrifty Canadians.

And no wonder—when you think of the handsome return they pay! For instance, the owner of a new \$1,000 Canada Savings Bond will get \$350 interest over its life of 10 years and 9 months—an average per year of 3.21% for this period. A \$500 bond will pay \$175 interest over the same period. Think what amounts like these can mean to you and yours!

This time you can buy up to \$5,000, in any one name.

In the meantime your investment stands as an always-available source of cash to meet emergencies that might crop up.

You can get your Canada Savings Bonds through your investment dealer or bank—for cash or on easy instalments. If you work in an office or a shop, ask about the convenient Payroll Savings Plan.

Whichever you choose, don't delay. Place your order today for Sixth Series Canada Savings Bonds—now better than ever.
